

Hirosaki Park

Hirosaki Park is a 49.2 ha park located in the center of Hirosaki City, Aomori Prefecture. Hirosaki Castle, the only castle tower that remains in the Tohoku (Northeast) region of Japan, rises above the ground and retains its traditional turrets, gates and other remains. In spring, about 2,600 cherry trees are in bloom, and the Cherry Blossom Festival, which has been called the best in Japan, attracts people to the area.

Honmaru, Kita no Kuruwa and Hirosaki Castle Botanical Garden are paid area.
